Dear Parents/Carers,

Year 6 National Standardised Attainment Tests (SATs)

Year 6 SATs exams begin this Friday 10th May and continue the following week, finishing on Thursday 16th May. Tests will start at 9:20am each morning – a copy of the timetable is attached for your information.

Please ensure that your child is in school promptly so that they can be registered in class for 8:55am, this allows time for briefing, last minute toilet visits and a moment of calm before each actual test.

To help with this, we are providing a **free breakfast** each morning during SATs for all Year 6 children, from 8am in the Junior Hall. Children are welcome and encouraged to attend all week. Coach Tosin will be providing a 'Wake up and Shake up' fitness session from 8:40am in the football pitch.

It is really important that your child attends school every day to ensure their overall marks are not affected by absence. The SATs marks may be used to place your child into ability groups at secondary school and it is important, therefore, that their results reflect their true ability.

Children do find SATs week rather tiring: you can help them by making sure they go to bed early and eat a healthy breakfast each morning.

If you have any questions, please do not hesitate to contact me, or speak with your child's class teacher.

Thank you, as always, for your continued support. We wish the children the very best of luck!

Yours sincerely,

Rebecca Ogungbesan
